INQUIRIES REGARDING RFP

All inquiries relative to this RFP shall be directed to Michelle Jones at mjones@rideaulakes.ca or call 1-800-928-2250 Ext. 230 or cell 613-213-1128.

No information provided orally by the Township shall be binding, nor shall it alter the requirements in any way.

SCOPE OF WORK

- Installation of concrete sidewalk along King Street Delta, from William Street to approximately House #76.
- Install four inch (4") thick sidewalk with 60" of width, where allowable
- Frame, supply and form concrete sidewalk
- Provide accessibility at the intersection of King Street and William Street
- Steel grates for accessibility installation where required
- Submit a cost, per square foot and a total cost, excluding HST
- The Township will be responsible for the removal of the existing interlocking stone

Contractor must include with the bid, a copy of current liability and worker's compensation insurance. Contractor will be required to sign a waiver of lien and verification that Sub-Contractors and Supplies have been paid.

Work to begin after September 15, 2019 and must be completed by October 15, 2019.

Specifications:

1. This project can begin after September 15, 2019 and must be completed no later than October 15, 2019 at 5:00 p.m. Due to pedestrian and vehicular traffic in the Village of Delta, this project is being conducted during the shoulder season.
2. The existing sidewalk is interlocking stones and the Township will be responsible for the removal of the existing sidewalk.
3. Contractor to provide and place limestone fill where needed. Contractor may have to move the limestone into forms by hand.
4. All limestone added will be machine compacted in place.
5. Control joints will be placed every four to five feet.
6. Concrete mix specs: 32Mpa Class C-2
7. Contractor to form and pour concrete, to include hand excavation to establish grade and the setting of forms.
8. Contractor, Sub-Contractor or Suppliers are to avoid driving on lawns and grass areas. All damage as a result must be repaired by the Contractor.
9. Concrete shall have a light broom finish.
10. Contractor shall provide round edges on sides.
11. Contractor shall include one (1) accessibility ramps – intersection of King Street and William Street.
12. A sealer will be placed on the sidewalk.
13. Contractor is responsible to provide security of wet concrete against vandalism and rainy conditions.
14. Township will be responsible for restoration/landscaping along the edges of the new sidewalk once the forms are removed.
15. Contractor and Manager of Facilities & Environmental Services will complete an onsite inspection at the completion of the project.
16. This project is taking place along County Road 42, Delta, therefore traffic control is essential for the safety of all.
17. It is strongly recommended that the Bidder perform a site visit and inspection prior to RFP submission.

18. Contractor will not commence work on any weekday before 7am and not before 9am on a weekend day.
