## 1.0 Information to Bidders

### General Description

The Township is seeking to replace its boat launches that need upgrades and repair. A review of each of the Township owned boat launches has been completed and the Township is working towards replacing those boat launches which have been identified as requiring significant repairs or remedial work. The work proposed under this RFP is the replacement of the existing boat launch at the end of Big Rideau Lake Road into the Big Rideau Lake, as well as the replacement of the boat launch at the end of 10<sup>th</sup> Concession into Wolfe Lake.

The Township of Rideau Lakes, hereinafter referred to as the “Township”, is seeking proposals from firms with the necessary expertise, hereinafter referred to as the “Bidder”, to implement Section 3 - Contract Drawing and Special Provisions with a high degree of quality and workmanship.

Ideally, the Township wishes to see the works undertaken in the balance of 2020 so that the boat launch is ready for the 2021 boating season, without significant impact to the existing boat launch in the remainder of the primary 2020 boating season.
