Half Ton Truck - ADDENDUM #1

A1-PW2026-12

A1-PW2026-12

This addendum is being released to clarify/update two specifications for RFP 2026-12 for a half ton truck.

Revisions are to the original RFP document with closing date of April 8, 2026.

The revisions to the specifications are as follows:

The minimum horsepower of the engine shall be 355 horsepower or higher, rather than 400.

The size of the box of the truck is preferred to be 5.5 feet.
